Cheryl Pyle reported the region's finances are again in very good shape; the team is to review the budget and be ready to accept at the April RMT meeting.

Ronda and Marilyn gave us an overview of the Winter Regional Meeting. There were 194 in attendance and the overall comments regarding our faculty, Mary Rhea, were very positive. Some items we need to address for future events are location and cost of meals. Our next event will be the Leadership Conference, May 15-16. A director's track is in the works for this date as well, watch for details.

Ronda gave us a sneak peak of future educational events from the Educational Steering Committee meeting held on Friday prior to the Winter Regional Meeting. (Be ready for some exciting, fun faculty and a new look for area schools.) She also updated our Chapter Visit schedule and discussed some possibilities for YWIF festivals and the Girl Scout Patch Program as a way to promote the art form, not as a membership event.

Carol, Elizabeth and Karla will be looking at ideas for a new Plus 1 pin for members who bring new members to the Region. They are also working on ways to promote the new SAI/GS patch program. Check it out here: <http://www.sweetadelineintl.org/index.cfm?id=560>

And finally, as is our tradition, the team selected the 2015 Honoree for Region 10's Hall of Fame Award to be presented at competition, March 28, 2015. <http://www.region10sai.org/hall-of-fame>
